

Dear sir/madam,

Welcome to our office! You have made an appointment with us successfully. You can download and print registration form at www.888eyes.com according to your needs, and then complete your patient registration in advance.

Please check, print and fill in the following sections:

Acknowledgement of Receipt of Notice of Privacy Practices, EYE HISTORY, Medical record release form, Office Payment & Billing Policy, and suitable Patient Registration. Please come to our office with these forms you have filled in. This can save you time and having to wait in line on the day of the appointment. Please take a few minutes to complete the forms above.

We ensure that your personal information will not be disclosed to any individual or organization, and all the data of your forms is secure and confidential.

Please come at the appointed time, if you couldn't come on time or have any questions, please contact our office at 650-967-7834/408-888-8098(Chinese).

We welcome your call and visit, and look forward to creating surprise and wonders for you.

Sincerely,

Eye Surgeons & Physicians
